Office of the R.L.A.

Presumably the provisions of rules 30 and 35 are intended to operate in case of goods in respect of which a refund is to be claimed. This intention may be made clearer by insertion in rule 30(1) of the words "and in respect of which a refund is to be claimed" after the words "be applicable" and in rule 35(1) (b) of the words "and a refund is to be claimed" after the words "time of import". (I have shown the change in pencil in the copy) of the rules (slip K). The amendments proposed by the Municipal Commissioner in his letter at pages 1-3 ante are otherwise legally free from objection.
